NEIGHBOURHOOD PLANNING REPORT: - Mr T Lockley had met up with the Chair of Groby Parish Council, who was enthusiastic about Neighbourhood Planning and supportive of working with Markfield Parish Council. Mr T Lockley suggested that 3 members of each Parish Council could be delegated to join a liaison group, possibly including Ratby Parish Council. He had drawn up a draft plan, which he would circulate to the members and when finalised he would forward the plan onto the Borough Council to advertise on their website for six weeks.
