

2017 March

NEIGHBOURHOOD PLANNING REPORT

As agreed at the February PC meeting, the final revision of the draft plan boundary and supporting document was submitted to Hinckley & Bosworth Borough Council and is now being formally advertised on their website for 6 weeks.

The Groby Parish Council clerk has been notified that in order to progress our Neighbourhood Plan, it will follow the current parish council boundary (excluding Field Head). She replied to say she fully understood Markfield Parish Councils position.
