

## **2018 September**

### NEIGHBOURHOOD DEVELOPMENT PLAN – Report from Mr T Lockley

The group is planning at least 3 drop-in sessions for folk to learn about what NPs are and to also provide some initial comments on issues they consider important.

We've got one session booked for the afternoon of 27th September at the Markfield Court main hall – cost £10 per hour - £30 in total

Then, probably in October, we're looking to stage another one, but this time for Shaw Lane area residents. It would be at the Shaw Lane WMC and probably run from middish afternoon into the early evening. The room hire cost would be £60.

We're still to schedule the third venue – it will be somewhere in Markfield itself.

Resolved, The Parish Council had agreed to set aside £250 to help support this initial work, to be paid upon receipt of invoice (October 2017 item 10 pg. 59.)
