

MPC Meeting July 2020

Neighbourhood planning report

The Strategic Environmental Assessment Screening is almost complete with only 1 consultee opinion outstanding and a full assessment will not be required.

A letter from the Chairman of the Parish Council will be drafted in order to go out to public consultation.

The borough annual monitoring report on the land supply position on the 1st April 2020 will be published in the next 7-10 days. If there is a three-year land supply a Neighbourhood Plan at schedule 18 will be taken into account in planning decisions.

The position statement by Mr S Bray, leader of Hinckley and Bosworth Borough Council was welcomed.
